1. Students will be participating in a combination of Canvas Courses, on-site courses, CTE courses and APEX.
2. Students and parents will work with guidance counselors to make any needed adjustments to their schedule to meet their virtual needs.
3. Students will open all Canvas or APEX courses each day to ensure they are aware of each teacher's instructions for the day.
4. Students will be expected to check in with their teachers either by live video conference, email, Canvas assignments, or phone as requested by their teacher when school is in session.
5. Students taking a blended approach will attend class(es) onsite and may only leave HNHS once each day.
6. All assignments will be due at the deadline created by the classroom teacher and/or the APEX instructor.
